

## Procedures for downloading Adobe Acrobat 9.0 Presenter from IUware to your campus workstation

1. Using a web browser, type in the path: <http://iuware.iu.edu>.
2. Select > Adobe (from the far left of the screen).
3. Select [Acrobat Pro Extended 9.0](#) from the Adobe page.
4. Click on "Agree" from the Software Terms page.
5. A table appears, and you must **Login** from the "Available for Download" column.
6. Write down or cut & paste the Serial Number/Key from the next page that appears. (You will not be prompted for this during the installation process, but in case of problems, you should have it).
7. You will need to save these two files to your campus workstation:

[AcrobatProfessionalExtended9.part1.exe](#)

[AcrobatProfessionalExtended9.part2.rar](#)

- a. When you click on the first file (..part1.exe) to save to your desktop, you will be prompted for your machine's IU username and password.
  - b. Be sure to select "Save" from the File Download panel. (Note: this will take about 10 minutes)
  - c. Download Complete will appear when completed.
  - d. Select Close.
  - e. Click on the 2<sup>nd</sup> file (...part2.rar).
  - f. Select Save.
  - g. Download Complete will appear when completed.
  - h. Select Close.
8. Be sure to close all the open files on your desktop, prior to installing this software.
  9. Now the files have been transferred to your campus workstation.
  10. Execute the Acrobat Pro Extended 9.0 icon (yellow icon now found on your desktop).
  11. Select "Install Adobe Presenter" (refer to following diagram -this will take about 10 minutes to install).
  12. Select Next.
  13. Yes, uninstall previous versions of the software.
  14. Select Next.
  15. Select Install.
  16. Select Finish, when completed. The Power Point application will open. You should now see Adobe Presenter as a plug-in from the pull-down options.
  17. Close out of the installation window.
  18. You are now ready to use the Presenter software package!
